

CONFERENCE PROGRAM OVERVIEW

PHOTOVOLTAIC Technologies	PHOTOVOLTAIC Markets	PHOTOVOLTAIC Policy & Finance	PHOTOVOLTAIC Materials, Equipment & Manufacturing	SOLAR HEATING & COOLING (ST)	SOLAR THERMAL POWER PLANTS (CSP)
---------------------------	----------------------	-------------------------------	---	------------------------------	----------------------------------

MONDAY, JULY 12, 2010 – Registration opens at 8:00am

9:00am–1:00pm	Break		SolarTech Performance Symposium		North American PV Fab Managers Forum	
1:00pm–2:00pm	Solar Start-Ups Forum		PV Market Support – Political Framework Conditions Enabling Market Development		Solar for All – Workshop	
2:00pm–6:00pm						
Evening	Solar for All Award Ceremony Evening Reception (InterContinental)					

TUESDAY, JULY 13, 2010 – Registration opens at 8:00am

9:00am–1:00pm	Official Opening			Growth Opportunities in Utility-Scale Solar: Projects, Finance and Policy	Official Opening	
1:00pm–2:00pm	Break					
2:00pm–6:00pm	Crystalline Silicon – High Efficiency & Low Cost	Thin Film – Low Cost & CPV			Industry Collaboration Workshop	Solar Heating & Cooling Markets
Evening	Solar Summerfest Exhibitor Reception (CityView, Metreon Rooftop)					

WEDNESDAY, JULY 14, 2010 – Registration opens at 8:00am

9:00am–1:00pm	Crystalline Silicon – Modules & Systems	Thin Film – Modules & Systems	Global Markets I (North America & Europe)	Accelerating PV Commercialization	Local Renewables – Urban Policy	U.S. Public Policy		CSI Thermal Workshop	Solar Thermal Power Plants
1:00pm–2:00pm	Break								
2:00pm–6:00pm	Balance of Systems (BoS)	Building Integrated Solutions	Global Markets II (Asia)	Doing Business in California	Solar Tour San Francisco	Int. Opportunities & Challenges		Solar Heating & Cooling – Innovative Technologies	
Evening	NorCal City/County Solar Award Ceremony (Moscone West, L2 Innovation Exchange)								

THURSDAY, JULY 15, 2010 – Registration opens at 8:00am

9:00am–1:00pm	PV Power Plants	Market & Technology Outlook – The Future of PV	Global Markets III (Rest of World)			Sustainable PV Manufacturing	Solar Heating & Cooling – Policy & Marketing Vision		
1:00pm–2:00pm	Break								
2:00pm–6:00pm	Utilities Forum – Policy, Technology, Project Development, Finance and Insurance								

CONFERENCE STRUCTURE & PRICING

PACKAGE PRICING

Package	PV Complete \$850 / \$950	PV Technology \$750 / \$850	PV Markets \$750 / \$850	PV Policy \$750 / \$850	ST Complete \$650 / \$750
Prices (Early Bird / Regular Price)*					
Official Opening	included				
Balance of Systems (BoS)	X	X			
Building Integrated Solutions	X	X			X
Crystalline Silicon I – High Efficiency & Low Cost	X	X			
Crystalline Silicon II – Modules & Systems	X	X			
Global Markets I (North America & Europe)	X		X		
Global Markets II (Asia)	X		X		
Global Markets III (Rest of World)	X		X		
Growth Opportunities in Utility-Scale Solar	X			X	
International Opportunities & Challenges for the PV Industry	X			X	
Market & Technology Outlook – The Future of PV	X	X	X		
PV Market Support	X		X	X	
PV Power Plants	X	X			
Solar Heating & Cooling – Innovative Technologies					X
Solar Heating & Cooling – The Policy & Marketing Vision					X
Solar Heating & Cooling Markets					X
Solar Start-Ups Forum	X	X	X		
Solar Thermal Power Plants					X
Thin Film I – Low Cost & CPV	X	X			
Thin Film II – Modules & Systems	X	X			
U.S. Public Policy	X			X	
Utilities Forum	X	X	X	X	X

COMBO PRICING

Specific Package	Price
Crystalline Silicon Combo Crystalline Silicon I + Crystalline Silicon II	\$550
Thin Film Combo Thin Film I + Thin Film II	\$550
Local Renewables Combo Urban Policy & Planning Session + Solar Tour San Francisco + NorCal City/County Solar Award Ceremony	\$350

INDIVIDUAL PRICING

Specific Tracks	Topic	Price
Official Opening		Free
Accelerating PV Commercialization	PV	\$300
Balance of Systems (BoS)	PV	\$300
Building Integrated Solutions	PV/ST	\$300
Crystalline Silicon I + II	PV	\$550
Crystalline Silicon I – High Efficiency & Low Cost	PV	\$300
Crystalline Silicon II – Modules & Systems	PV	\$300
CSI Thermal Workshop	ST	Free
Doing Business in California	PV/ST	\$300
Global Markets I (North America & Europe)	PV	\$300
Global Markets II (Asia)	PV	\$300
Global Markets III (Rest of World)	PV	\$300
Growth Opportunities in Utility-Scale Solar	PV	\$550
Industry Collaboration Workshop	PV	\$100
International Opportunities & Challenges for the Solar/PV Industry	PV	\$300
Local Renewables – Urban Policy	PV	\$300
Market & Technology Outlook – The Future of PV	PV	\$300
NorCal City/County Solar Award Ceremony		\$40
North American PV Fab Managers Forum*	PV	\$750
PV Market Support	PV	\$300
PV Power Plants	PV	\$300
U.S. Public Policy*	PV	\$495
Solar for All – Workshop		Free
Solar Heating & Cooling – Innovative Technologies	ST	\$300
Solar Heating & Cooling Markets	ST	\$300
Solar Heating & Cooling – The Policy & Marketing Vision	ST	\$300
Solar Start-Ups Forum	All	\$300
SolarTech Performance Symposium	PV	\$550
Solar Thermal Power Plants	CSP	\$300
Solar Tour San Francisco	PV	\$70
Sustainable PV Manufacturing*	PV	\$175
Thin Film I+II	PV	\$550
Thin Film I – Low Cost / CPV	PV	\$300
Thin Film II – Modules & Systems	PV	\$300
Utilities Forum	All	\$300
